### Living Room

A **Living Room** which is usually the largest room in an apartment, house or villa, is the central location of every modern home. Comfortable, classic and convivial, this is specially designed for the entire family, where they spend most of their time and receive guests. So the choice in design, style, and comfort of a living room is highly essential

### Bed Room

When developing A **Bed Room** design, each detail should be taken into consideration. It should be uniquely crafted with magnificent interiors and great atmosphere for a comfortable relaxation.

A great bedroom interior by retush interior decoration comfort with excellent creativity. Our excellently finished ceilings, elegant furnishings and spectacular finishing help to create a unique beauty

### Kitchen

A contemporary **Kitchen** is not just meant for cooking, but it's an expression of your unique taste and lifestyle. At retush interior decoration, we gingerly design kitchens to be resistant and functionally destined to satisfy the use work, storage and organizational needs.

### Bathroom

A beautifully **Bathroom** can be the focal point of a luxury property and also offer an amicable relaxation. Retush interior decoration is a renowned specialist in creating a contemporary masterpiece. In a modern apartment, there can be as many bathrooms in a house, villa or apartment as desired.

### Shops

A **Shops** is the first thing a visitor sees when entering the building. They say that first impression, although sometimes misguided, often affects the subsequent decisions and actions of the person. The aesthetic and comfortable lobby can not only cause positive emotions, but also create a working (or conversely, relaxed, it all depends on the functional purpose) mood give energy, create a friendly atmosphere conducive to a successful business or a good rest.

### Villa

**EXTIRIOR SERVICE** For the best fit-out companies in UAE, design, and maintenance come with a slew of benefits. It's an opportunity to utilize space in conjunction with new facility development and upgrades, as well as a time to consider your goals and how your space can support your strategic direction
